Part – A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

The NAAC Peer Team visited the University in the March 2003 and rated it with B++ grade (awarding 80-85 score). As one of the quality sustenance measures, the Internal Quality Assurance Cell – IQAC of Acharya Nagarjuna University is established in May 2003. The evaluative observations made by the Peer Team in its assessment report under various criterion of Accreditation are paid primary attention by IQAC in order to take up effective possible measures to act upon the observations of Peer Team.

Part – B

1. Activities reflecting the goals and objectives of the institution.

Objectives:

1. To inspire and encourage all who would seek knowledge through higher education and research.
2. To provide quality instruction and research for the advancement of science and technology.
3. To promote teaching and research studies in disciplines of societal relevance.
4. To bridge the gap between theory and practice of the principles of higher education.

5. To develop human talent necessary for the industry.
6. To open up avenues of higher education and research through non-formal means.
7. To invite and implement collaborations with other institutes of higher learning on a continuous basis for mutual academic progress.
8. To motivate and orient each academic department/centre to strive for and to sustain advanced levels of teaching and research so that the university emerges as an ideal institute of higher learning.
9. To focus specially on the studies involving rural economy, justifying its existence in the rural setting.

These goals and objectives address all the major considerations through the following measures taken up in 2003-04.

- ❖ Organising 179 National, 5 International seminars/conferences/ for keeping abreast of knowledge during 2003-2008.
- ❖ Introduction of new courses.
- ❖ Started Centre for Distance Education.

2. New academic programmes initiated (UG & PG)

- ❖ Journalism and Mass Communication
- ❖ M.Com (Nuzvid Campus)

Centre for Distance Education:

- ❖ B.A and B.Com
- ❖ M.A- English, Telugu, Sociology, Political Science, History
- ❖ M.Sc Mathematics
- ❖ M.Com
- ❖ M.B.A
- ❖ LLM

3. Innovations in Curricular design and transaction

Expert members from Industries/Research Laboratories/Applied Organisations are nominated as members of Boards of Studies of various courses in order to incorporate their suggestions in the syllabi with an objective of making the courses more practical oriented.

4. Inter – Disciplinary programmes started

The M.A course in Journalism and Mass Communication started in 2003-04 is of inter disciplinary nature where faculty from the disciplines of

Political Science and Public Administration, English, Telugu, Correspondents of Leading News dailies and magazines take up the teaching work.

5. Examination reforms implemented.

Semester system for all PG courses with 20% weightage of internal assessment has been introduced. Central valuation for PG courses by internal examiners is introduced.

6. Candidates qualified: NET/SET/GATE etc.

Year	NET	SLET	GATE	GRE	TOEFL	GMAT	Total
2003-04	9	3	14	17	45	33	125

7. Initiatives towards faculty development Programmes.

The University constantly encourages the faculty members in Academic development programme by deputing them to various seminars/conferences and as a result the faculty have participated and presented high level research papers in 121 National and 24 International seminars in the year 2003-2004.

8. Total number of seminars/workshops conducted.

An approximate number of 23 seminars/workshops are conducted in the year 2003-04.

9. A. Research Projects Newly Implemented:

S.No.	Name of the Teacher	Title of the Project	Duration	Funding Agency	Amount (Rs.)
1	Prof. T. Nirmala Dept. of Telugu & Oriental Languages	Position of women in Telugu Literature	One year	UGC	97,000-00
2	Prof. NA Rama Sastry Dept. of Telugu & Oriental Languages	Impact of Secular values on Modern Telugu Literature	Two years	UGC	2,04,000-00

10. Patents generated; if any :

The University has to its credit 24 inventions and patents during 2003-2008.

11. New Collaborative Research Programmes:

The University has entered into Research Collaborations with various organizations as detailed below during 2003-2008.

17. Details of the departments getting SAP, COSIST (ASSIST) / DST. FIST, etc. assistance / recognition:

The plan proposals contemplated by the University are generally about developmental activity, introduction of new programmes, initiation of new research centres etc. Regarding the developmental activity, the University has initiated and completed the construction of the following infrastructural facilities.

Projects Completed:

S.No.	Name of the Structure	Cost of the Project
1.	Sports Hostel Building	Rs.4,88,53,000.00
2.	Academic and Administrative Building IX	Rs.2,42,34,269.00
3.	Vanijya Bhavan Building	Rs.2,40,00,000.00
4.	Centre for Distance Education Building	Rs.9,41,23,700.00
5.	H.R.M. Bhavan	Rs.1,35,81,600.00
6.	Hindi Bhavan	Rs.1,34,75,200.00
7.	Centralized Laboratory	Rs.60,00,000.00
8.	Student Centre Building	Rs.32,90,000.00
9.	Deichmann Auditorium	Rs.5,00,00,000.00

Regarding introduction of new courses the University has initiated and implemented the introduction of the following new courses at the P.G. level during the last 5 years.

- i. M.Sc. (Statistics and Informatics): Twinning Program with JNTU-Hyderabad.
- ii. M.Pharmacy.
- iii. M.Sc. (Nanotechnology) (5 year integrated course).
- iv. M.B.A. (International Business) (5 year integrated course).
- v. M.A. (Hindi).
- vi. M.Ed.
- vii. M.P.Ed.

- viii. PG Diploma in Ambedkar Studies.
- ix. M.B.A. (Hospital Management): Twinning Program with NTR University of Health Sciences – Vijayawada.
- x. M.T.T.M.
- xi. M.Tech. (Computer Science).

As part of extension activities, the University has established the following centres for the purpose of promoting diversified objectives mentioned against each centre.

S.No.	Centre/Cell	Objective
1.	Regional Jawahar Knowledge Centre	To impart Job oriented skills to the trainers. (Teachers of affiliated colleges)
2.	Centre for HRD	To monitor campus recruitment drives, career guidance.
3.	International Students' Cell	To promote admission of students from abroad into the programmes of the University.
4.	Finishing School	To offer vocational diploma/certificate programs designed by APSCHE.

On the research front, the University has encouraged and received a number of grants for the research activity of various faculty members and departments from different funding bodies. All such proposals are being executed successfully as detailed below.

18. Community Services:

The University promotes participation of students and faculty in various extension activities organized by the NSS and other NGOs.

The NSS has 468 units to date spread over numerous affiliated colleges under ANU jurisdiction. The NSS units of ANU area organized voluntary Blood Donation Camps in different colleges. In the last 4 years, 6,716 units of blood were collected through Mega Blood Donation Camps and 87,700 units of blood were collected through Blood Donation Camps in affiliated colleges.

The NSS Cell has adopted 1,000 villages for implementation of various programmes. Socio-economic surveys were undertaken in some of them. Plantation of saplings was made on a massive scale in towns and

villages. Red Ribbon Clubs were formed in 90% of the colleges. Adult Literacy Programmes, awareness programmes and rallies were organized regarding various issues like Chikun Gunya, Dengue, Polio, HIV/ AIDS.

Special Camps were organized by the NSS Cell in villages regularly where activities like bush-cutting, laying of approach roads, desalting of water bodies, weeding out unwanted plants in water tanks, digging of drainage canals, bridging erosion/breaches in irrigation canals were carried out by NSS volunteers.

Dental, Medical and Veterinary camps were also organized and free medicines were distributed in rural areas. Youth Festivals were organized in the three districts under ANU purview, one in each district, every year followed by University-level Youth Festivals. The NSS Cell regularly deputed NSS volunteers to attend National Integration Camps in different colleges and states who have won several prizes.

The NSS Cell also organized workshops, training programmes and disaster management programmes in association with district administration and other organizations. The NSS Coordinator received the Best NSS Coordinator Award (2004) and a Medal (2009) for his contributory efforts for blood donation.

The NSS Cell also sanctioned three Youth Leadership Programmes, one for each of the 3 districts, in the University area. Several environmental awareness rallies were organized by the NSS Cell.

23. Courses in which student Assessment of teachers is introduced and the action taken of student feedback:

Evaluation of the teachers by students is carried out at the end of each semester. The IQAC has developed a proforma for evaluation of the teachers by the students on a 4 point grade based on 6 different criteria. Evaluation of the teachers by the students is calculated using this data and a final percentage of the feedback is obtained on each teacher during the semester. The feedback is passed on to the teacher concerned and the low performing teachers are advised to improve their performance based on the feedback by the students.

27. Technology upgradation:

The University provided desktop computers to 136 faculty members with Internet and Ernet connectivity. Some faculty members purchased computers with the financial support from different funding agencies. Many academic departments have Computer Labs providing access to students and faculty. In addition, there is a Computer Centre with 60 systems and a special section in the library with 20 systems open for students and faculty. The two centers have internet connectivity.

The University started offering training classes for teachers interested to know basic computer usage and there is a good response. These attempts of the University helped most of the teachers to orient themselves towards computer aided teaching and learning materials.

In addition to the personal computers, the University library has a browsing centre with 20 systems with internet connectivity. There is also a Computer Center with 60 systems. All these centers and labs with internet connectivity are accessible to all the teachers.

Most of the departments have LCD projectors which can be used for Power Point Presentations in the class.

There is a Computer Center in the University in addition to the Browsing center in the library. The main Computer Center is open to students, staff and research scholars from 10.30 a.m. to 5 p.m.

The University has an Annual Maintenance Contract with a local hardware agency which undertakes repairs and maintenance of computers in the campus. The Service Engineer is available in the campus on a fulltime basis.

The departments are active in the development of ICT packages for use in the classroom teaching. Power Point Presentation is a regular feature in the classroom teaching.

28. Computer and internet access and training to teachers and students:

The faculty members are attending the refresher and orientation courses conducted by this University and also the Academic Staff Colleges of other Universities located all over the country. Besides this, the faculty members attend seminars, symposia and workshops organized by different Universities from time to time. They are also utilizing the services provided by the University Library where an internet browsing centre with 20 computers was made available for this purpose. Internet facility is also available in the Computer Center of the University. Every teacher is provided with a personal computer and each department is connected with intranet and internet facility.

Audio-visual equipment is used in teaching to make learning easy. Slide Projectors, Overhead Projectors and LCD projectors are regularly used in classroom teaching.

29. Financial aid to students:

About 90 percent of the students get fellowship or stipend from the State Government. The University provides fellowships only to full time Ph.D. scholars (4 from each department) for promoting high order research. Rajiv Gandhi Fellowships sanctioned by Government of India are made available. The University has also introduced a special scholarship scheme to these students, whereby one boy and one girl student is given cash awards worth Rs. 10,000/- each as scholarship for Arts, Sciences and Engineering Courses separately.

Students' welfare is taken care of in a number of ways. For students who prefer to stay in hostels, the university as far as possible allots hostel accommodation evenly and sees that they are comfortable in the hostels. The food that is provided is balanced as per the health parameters. Most of the students receive one or the other scholarship to meet their monthly expenses of food and accommodation in hostels, from a range of funding bodies like Social Welfare Department, Scheduled Castes, Scheduled Tribes and Harijan Christian Scholarships, Economically Poor Persons Scholarships, General Merit Scholarships, Physically Handicapped students' scholarships, Scholarships for children of elementary school teachers, scholarships to the children of deceased government servants, Educational concessions to the

children and grandchildren of political sufferers. In addition to these financial helps as a welfare measure, the university instituted a Student's Welfare Fund in 2006-07, to meet health and welfare of the students, by generating contributions from faculty, supporting staff and students. Also the university college extends Group Insurance Facilities to students under insurance coverage in the form of a group insurance policy and the premium for this policy is met partly from the fees paid by students.

Various Coaching programmes are organized for enabling the students to improve their Career and Placements such as Coaching for entry into Services, NET coaching, coaching for Entrance Tests, etc.

30. Support from the Alumni Association and its activities:

Most of the Alumni placed in diversified occupations generally contribute to the University in the form of instituting prizes, medals and scholarships to meritorious students of various disciplines at undergraduate, postgraduate and research levels and arranging endowment lectures annually. There is an equally good number of Alumni who come forward to contribute part of construction expenses of some buildings of the campus, or donations to library collections of the departments. These are good indicators of university development in different directions. The alumni are also helping in arranging placements and training in industries and field work.

31. Support from the Parent-Teacher Association and its activities:

There is no Parent-Teacher Association in the University.

32. Health Services:

The Health Centre in Acharya Nagarjuna University Campus gives free medical aid to students, staff, research scholars, NMRs and their dependants.

A wide range of cases like upper, lower respiratory tract infections, viral fevers, Jaundice, Diarrhoea, Amoebiasis, duodenal ulcers, fungal infections, Scabies, DM, Hypertension, IHD, Epilepsy and PT are being treated in the Health Centre. Although only outpatient treatment is available at the Health Centre at present, 5 beds are available for observation and treatment of patients. An ambulance is available to take patients in cases of

emergency to bigger hospitals in Guntur and Vijayawada. Homoeopathic treatment is also extended here.

The following facilities and equipment are available in ANU Health centre:

- * Urilu –S
- * ECG
- * Widal Test Kit
- * Blood Grouping
- * Microscope
- * Ultrasound Scanning
- * Ambulance.
- * Blood analyzer
- * Accutrend GCT
- * VDRL Test Kit
- * Haemoglobinometer
- * X – Ray Unit
- * Clinical Laboratory

36. Activities of the Guidance and Counselling cell:

The University has a Student Counselling Centre that takes care of guidance and counselling of students under the supervision of a teacher of Professor Rank. It has undertaken projects focusing University's Interaction with Society, Know Your Personality Programmes in the years 2007, 2008 respectively. The other programmes it organized for the benefit of university students include Personality and Education Development programme in two phases in the months of August and September respectively. Similar programme for girls was also organized separately. In March 2008 it conducted a programme called "How to Face Interviews" which was very much useful in their further pursuits. In February 2009, it held a programme

on Meditation Techniques, Special coaching for campus students appearing for D.Sc. examination of A.P. Government. Three programmes on Communication Skills, Goal Setting, and Presentation Skills are all also well received activities of this Centre.

37. Placement services provided to the students:

The University established Career Guidance and Placement Cell for providing various services to the students.

The Cell helps in :

- ❖ Giving personal guidance to the students in the building up of their career.
- ❖ Conducting campus interviews and helping students in securing practical training facilities in companies or organizations.
- ❖ Helping students in getting stipend during training programmes.

Activities of the Cell:

- ❖ Arranged training for students in Communication Skills.
- ❖ Organized Workshops on Computer Skills with the collaboration of Intel Corporation.
- ❖ Conducted five training programmes for Administrative staff of Acharya Nagarjuna University.
- ❖ Arranged campus interviews to the students of various departments. Around 20 organizations participated in the campus placements during 2005-06.
- ❖ Acted as Liaison department for arranging MoUs between the University Departments and the Industrial Organizations.
- ❖ Brought out students' Placement Brochures for all the students and staff.

Placements :

During 2004-05 to 2008-09 the Cell organized campus placements and 4460 students got placement in prestigious organizations like Cipla, MSN Insurance, ICICT Prudential, Vignan College, Chaitanya College, Bajaj

Alliaz Insurance, Reliance Life Insurance, Pepsi Company, Sadharan Travels Pvt. Ltd., Rao & Rao Travels Pvt. Ltd., Uni ads Pvt. Ltd. etc.

38. Development programmes for Non-teaching staff:

Skill-based Training Programmes are organized periodically for the benefit of the supporting staff. The Common Computer Centre takes care of the computer courses. Personality Development Programmes were also conducted by outside HR Trainers. To develop Office Management, a three week Computer Training Programme was organized in February, 2009 for the Senior Assistants of the University Campus in association with the Department of Computer Science & Engineering. The focus of the programme was on the use and practice of MS-Word, MS-Excel and Internet. Another training programme on Office Management Skills for officers of the University was conducted during January, 2009. The themes of the programme were File Management, Letter Drafting, Right to Information Act and Personality Development.

Starting from 2002-03 a number of Refresher courses were sanctioned by the UGC to this University. Hundreds of teachers – both from University and affiliated colleges – have benefited from this programme. A series of training programmes have been organized for Non-Teaching staff to improve their skills. Latest in this series is computer training for Senior Assistants. This training was conducted by the Department of HRD from 2nd to 21st February 2009. The department organized another training programme on office management skills for administrative officers of the University.

39. Best practices of the Institution:

The following are the quality measures undertaken by the University in the last 5 years.

- ❖ Publication of Prospectus / Handbook regularly.
- ❖ Organization of training programmes for faculty whenever new courses are introduced like Environmental Studies, etc.
- ❖ Organization and Skill Development Programmes in Communication Skills and Computer Skills.
- ❖ Introduction of Career - oriented programmes (COP).

- ❖ Introduction of choice-based credit system.
- ❖ Introduction of student and teacher feedback mechanism.
- ❖ Nomination of representatives from the industry, the Government and the NGOs in the BOS.
- ❖ Design and offer of collaborative twinning programmes like
 - MBA with Central Michigan University, USA.
 - MBA Hospital Administration with University of Health Sciences, Vijayawada.
 - M.Sc. (Statistics & Informatics) with JNTU, Hyderabad
- ❖ The meetings of the BOS are regularly held every year and held as frequently as required. Thus curriculum update is regular and continuous following the guidelines of UGC / AICTE / Bar council/ PCI, etc.
- ❖ Introduction of five-year Integrated courses in (i) MBA(IB) and (ii) M.Sc. (Nanotechnology)
- ❖ Each Dept. offers at best two specializations to students to choose from.
- ❖ Organisation of Remedial Courses / NET Coaching / Coaching for entry into Services, Free coaching for Entrance Tests, etc.
- ❖ The University has a transparent admission process. It admits students through Entrance/Merit following all the rules and regulations of Government of AP. It has set up a Directorate of Admissions for this purpose.
- ❖ Acharya Nagarjuna University formulates Academic calendar much in advance.
- ❖ Recruitment of Faculty is as per norms laid down by the Government of A.P. Contractual system for a period of two years is also followed.

- ❖ Focus on use of ICT:
