The Department

The Department of Statistics Acharya Nagarjuna University was established in November 1980. The present faculty consists of Two Professors with diversified areas of research. In appreciation of the research output of the teachers, scholars, other academic activities and progress, the Department of Science and Technology (DST), New Delhi recognized the department as "DST - FIST Sponsored Department" in December 2002 for five years funding and as Non-SAP department for funding by UGC for five years 2008-2013. The Department has been identified under UGC - DRS - I (SAP) for the period 2010-2015. And it is also identified as UGC DRS-II (SAP) for the period 2016-2021. During the last 42 years, the department has proved its organizational skills in hosting Conferences, Seminars, Workshops and Refresher courses covering many areas of theoretical and applied statistics.

Objective of the Seminar

The present seminar is aims to discuss Theoretical and Practical topics in Statistical Methods Using R – Programming. It also aims to pave way for the theoreticians and practitioners to interact with each other. Statisticians from Academic Institutions, Research Labs, Industries, Govt./Non-Govt. organizations, consultancy units etc., will be participated.

Events

Invited lectures: A series of lectures by eminent scholars in Statistical Methods using R – Programming are being organized. Some contributed paper presentation sessions are also being conducted.
