The Department

The Department of Statistics Acharya Nagarjuna University was established in November 1980. The present faculty consists of Four Professors with diversified areas of research. In appreciation of the research output of the teachers, scholars, other academic activities and progress, the Department of Science and Technology (DST), New Delhi recognized the department as "DST - FIST Sponsored Department" in December 2002 for five years funding and as Non-SAP department for funding by UGC for five years 2008-2013. The Department has been identified under UGC - DRS - I (SAP) for the period 2010-2015. And it is also identified as UGC DRS-II (SAP) for the period 2016-2021. During the last 39 years, the department has proved its organizational skills in hosting Conferences, Seminars, Workshops, Refresher courses covering many areas of theoretical and applied statistics.

Objective of the Workshop

The present workshop is aimed to discuss Theoretical and Practical topics in Basic Statistical Methods Using R – Programming. Also providing interaction between theoreticians and practitioners of Statistics from Academic Institutions, Research Labs, Industries, Govt./non-Govt. organizations, consultancy units etc.,

Events

Invited lectures: A good number of invited lectures are being planned by eminent persons associated with Basic Statistical Methods Using R – Programming.

Resource Persons

Prof. A. Vasudeva Rao

Dept. of Statistics, Acharya Nagarjuna University

Prof. V. Ravindranath

Dept. of Mathematics & Statistics, JNTU, Kakinada

Dr. R. Vishnu Vardhan

Assistant Professor, Department of Statistics, Ramanujan School of Mathematical Sciences, Pondicherry University, Puducherry

Dr. S. Yadavendra Babu

Senior Data Analyst, Ford Motor Company, Chennai

Other Experts from Industries are also expected to deliver the talks.

Climate

The night temperature of Guntur during February is around 20°C. Moderate warm clothing is enough to withstand the winter cold.

Eligibility

The target group for the Workshop is Teachers, Researchers, Students and Personnel associated with Basic Statistical Methods Using R.

Registration Fee FEE

Every participant has to register by remitting the registration fee of Rs. 600/- for Teachers, Rs. 400/- for Scholars and Rs. 200/- for students in the form of crossed Demand Draft drawn in favour of the **Director, BSTMUR - 2020** payable at Andhra Bank, Acharya Nagarjuna University Campus.

(A/c. No. 150811100002397 and IFSC Code: ANDB0001508)

Last Date for submission of Registration form along with Registration fee: **20th January 2020.**

Working lunch will be provided. Moderate limited accommodation on the University campus is available. Those who would like to stay in hotels off the campus (in Guntur or in Vijayawada) may do so on their own. Details can be furnished on specific request.
